

2017/18 Junior Rankings and Seeding

1. Canadian Junior Ranking Position

- 1.1. A player will earn a unique Canadian Junior Ranking in each specific event (Singles, Doubles, Mixed) in a specific age group.
- 1.2. Points accumulated in an age group can only be counted up. For example, a U15 player plays in U17 and U19 events. Points accumulated in the player's U15 ranking can only be from U15 events, whereas the player's U17 ranking can include U17 and U15 points, and the player's U19 ranking can include U19, U17 and U15 points.
- 1.3. A player's Junior Ranking is independent of their Senior Ranking.
- 1.4. A player's Junior Canadian Ranking for each specific event (Singles, Doubles, Mixed) will be based on points accumulated from the player's/pair's four (4) best results in a specific event for the previous 365 days at any of the following: Provincial/Territorial ("P/T") circuit, P/T Championship, Junior Elite Series, Junior International Challenge (domestic) tournaments and/or the Canadian Junior National Championships.

2. P/T Tournaments weighting

- 2.1. Badminton Canada recognizes the importance of the role each province and territories internal tournaments play in the development of our junior players. As such the junior national ranking system includes some tournaments from the P/T into the ranking profile. However, given there is discrepancies between the size and depth of competition from one P/T to another, Badminton Canada calculates a percentage of points available to the P/T based on the following criteria:
 - a) Every P/T member receives one point per competitive member recorded in the Badminton Canada Player Database as of June 1st at 17:00 EST each year.
 - b) Every P/T member receives fifty points each time a players' name appears on Badminton Canada's Top 10 Junior Ranking listings published on June 1st at 17:00 EST each year. Players can be counted multiple times as they may appear on more than one specific event (Singles, Doubles, Mixed) and in multiple age categories.
 - c) A total score for each P/T member is then calculated.

- d) P/T members receive a percentage of the total number of points available per Junior tournament if their total score exceeds a threshold. The thresholds are as follows:

Junior Weighting	
Threshold	Percentage
1000+ Points	100%
900 to 999	90%
800 to 899	80%
500 to 999	70%
250 to 499	60%
1 to 249	50%
0	25%

- 2.2. The following list outlines the total number of points and the relevant event weighting for each P/T member for **2017/2018 season (September 1 to August 31)**

3. Points Calculation

3.1. Points for Junior tournaments can be found below in **Appendix A**.

3.2. If a player/pair:

- a) had a bye in the first round and lost or withdrew in the second round – they receive first round loser’s points.
- b) had a bye in the first round, won in the second round and lost in the third round – they receive third round loser’s points.
- c) had a walkover in the first round and lost in the second round – they receive second round loser’s points.
- d) had a bye in the first round, walkover in the second round and lost in the third round – they receive third round loser’s points.

4. International Players

4.1. In the event that a very strong player/pair from another country plays in a Badminton Canada sanctioned tournament, the Junior Seeding Committee will make a decision as to whether or not to seed that player/pair based on available results.

5. U19 Junior International Challenge

5.1. Seeding for U19 Junior International Challenge or other BWF sanctioned event is done by BWF. Badminton Canada Junior Rankings have no impact on the seeding.

6. Seeding

6.1. The number of seeded entries will depend on the overall number of entries in the specific event. The number of seeds will be:

- a) max of 16 seeds with 64 or more entries;
- b) max of 8 seeds if there are 32-63 entries;
- c) max of 4 seeds if there are 16 to 31 entries; and

d) max of 2 seeds if there are less than 16 entries.

6.2. Seeding for the Junior Elite Series tournaments and the Canadian Junior National Championships will be based on points accumulated in the player's/pair's four (4) best results in a specific event (Singles, Doubles, Mixed) for the previous 365 days at any of the following: P/T Circuit, P/T Championship, Junior Elite Series, Junior International Challenge (domestic) tournaments and/or the Canadian Junior National Championships.

6.3. If players or pairs are within the following points of each other, the Junior Seeding Committee may alter the seeding if the lower ranked player/pair has beaten or progressed further at a tournament within the last 90 days of the close or tournament registration. A rationale for the change will be provided upon request.

a) U19 – 600 Points

b) U17 – 300 Points

c) U15 – 150 Points
